- **About Operation Smile:**

Operation Smile, headquartered in Virginia Beach, Virginia, is an international children's medical charity with a presence in more than 60 countries, whose network of more than 5,400 medical volunteers from over 80 countries is dedicated to helping improve the health and lives of children. Since its founding in 1982, Operation Smile has provided more than 260,000 free surgical procedures for children and young adults born with cleft lip, cleft palate and other facial deformities. To build long-term self-sufficiency in resource poor environments, Operation Smile trains doctors and local medical professionals in its partner countries so they are empowered to treat their local communities. Operation Smile also donates medical equipment, supplies and provides year-round medical treatment through its worldwide centers.
