

Nordic Ways is pleased to announce that the Asia Bike cooperates with the Genghis Khan MTB Adventure again this year. Everybody is therefore highly welcome to visit our Genghis Khan Festival booth at the exhibition in Nanjing International Expo Center from 13th Sep to 15th Sep.

Asia Bike takes inspiration from EUROBIKE, the world's biggest professional bike exhibition. As the first trade show on sports bikes in China, Asia Bike focuses on high-end bikes, sports bikes, urban bikes, cycling apparels and bike components.

All visitors can find us in the zone of 9E.221. We will also be available for you to answer any relevant questions about the Inner Mongolia event, which next year takes place from 7 to 9 July. What's more, we'll also give out 2 free race entries for 2017 Genghis Khan MTB Adventure during the exhibition.
