This discount is available for those participants who had joined the same Genghis Khan race for 3 consecutive years (2014-2016). KOG is treated as Marathon & MTB. For example, you joined Genghis Khan grassland marathon in 2014 and 2015, and KOG in 2016, then you can have the free registration in grassland marathon this year. However, if you joined grassland marathon in 2014 and 2015, and MTB in 2016, you cannot get any free registration this year. If you're eligible to this discount, please don't pay immediately after registration, and email to tufei@nordicways.com. We'll change your total charges, and then you can pay it.

Before you apply for the 3 year discount, make sure you have the GKF passport. If you have not bought the passport before, you can buy from the OC at the price RMB100.
